Minutes if the previous meeting: Agreed as a correct record of the AGM

Chairman's report: JH advised that the New Wetlands Area was being developed using funds from Mary's Gillham bequest. A Little Bunting had visited the Reserve and this caused a lot of interest. JH also advised that Dennis Davies who was one of the original founders and past secretary of the 'Friends' had recently died. In addition, the Committee was looking for new members as a long serving member Rosemary Waters was standing down.

Secretary's report. MC advised that the impact of the Council cuts were now becoming clear and that the impact on the city's green spaces would be major. The importance of volunteering would therefore be critical in reducing the impact of these cuts.

Treasurers' report: In the unavoidable absence of the Treasurer, MC provided a breakdown of the financial position. MC detailed how to move forward with the canal restoration, and that the Friends of Forest Farm may have to use some of its funding to finance the initial report. It was agreed by members present that we should do this. MC will speak to the Council. Accounts were agreed by membership present.

Membership Secretary's report: The membership secretary advised that the present membership was 363 and thanked the distributors.

Newsletter – The 25th Anniversary edition will be in colour and editor looking for new contributors for articles.

Events organiser: The annual trip was discussed and what was planned for the day.

Election of officers for 2015 – 2016

The Committee advised that they were all willing to stand again and this was agreed by the membership that the Committee should continue in their present role. There was a vote of thanks by the membership for the work undertaken during the year by the Committee.
